LAS VEGAS FIRE & RESCUE FIRE PREVENTION DIVISION PERMIT AND SERVICE FEE SCHEDULE

I. GENERAL

Purpose

The purpose of this Permit and Service Fee Schedule is to establish fees for permits required in the NFPA 1/Uniform Fire Code, as adopted by the City of Las Vegas, and to establish fees for services performed by Las Vegas Fire and Rescue, Fire Prevention Division.

Definitions

All terms not defined in this Schedule have the meanings set forth in the NFPA 1/Uniform Fire Code, as adopted by the City.

Permit and Service Fees

The following fees shall be paid to the City of Las Vegas, in accordance with this schedule:

Annually Renewable Permits. For each permit category listed in the table in Section II below, the fee shall be \$80.00, unless the table indicates otherwise.

Temporary Permits. For each permit category listed in the table in Section III below, the fee shall be \$80.00,unless the table indicates otherwise.

Fire Engineering-Related Permits. For each permit category listed in the table in Section IV below, the minimum fee shall be \$80.00 (or higher based on Table 3-A of the Uniform Administrative Code, Building Permit Fee Column).

Hazardous Materials Storage. For the storage of hazardous materials, the fees shall be \$80.00 multiplied per range, as indicated in the Range Calculation Table set forth in Section V below. The range is based upon maximum quantities stored at any given time. The fee for Hazardous Materials Storage is independent of the fee for annually renewable permits listed in the table in Section II below

Miscellaneous Services and Activities. For other miscellaneous services and charges, the fees shall be as set forth in the table in Section VI below.

Record-Related Requests. For requests for records, photographs or other documents, the fee shall be as set forth in Section VII below.

General Provisions

There are various types of fees set forth in this Permit and Service Fee Schedule that are separate and independent of the others. A permit is required for each building address. Each business in a building must have a permit if required. Failure to pay the fee within the time period specified on the Permit Application, Work Order or Invoice from the City of Las Vegas, is sufficient grounds to withhold a permit, inspection or to void a permit previously issued. In addition, the failure to obtain or renew a permit in a timely manner shall result in penalty fees being assessed.

A permit fee is not refundable if an applicant fails to qualify for or receive a permit. The failure to apply for a permit may result in action permitted or prescribed by law.

The initial permit fee and the subsequent fee for renewal of a permit includes, and is intended to offset the cost of initial inspection and plan review required in connection with the issuance or renewal of a permit.

Additional inspections, plan review, code research, reinspection or inspections requested for a time outside of normal business hours shall be assessed a fee in accordance with Section IV. Fees are payable upon notice thereof.

Inspections associated with Business License activities shall after the second inspection, be assessed a re-inspection fee in accordance with the table in Section IV below, as a means of cost recovery. Nothing in this Permit and Service Fee Schedule is intended, nor shall it be used, to determine neither the minimum number of overtime hours nor the hourly wage for employees.

Federal, state and local governmental entities are exempt from the payment of permit and plan check fees. Nonprofit organizations and special tax districts are not exempt from the payment of fees.

II. ANNUALLY RENEWABLE PERMITS

Operation and Materials	Section No.
Aerosol Products	61.1.2
To store or handle an aggregate quantity of Level 2 or Level 3 aerosol	
products in excess of 500 lb (226.8 kg)	
Aircraft Fuel Servicing	42.4.1.2
To provide aircraft fuel servicing	
Aircraft Hangars	21.1.1
For servicing or repairing aircraft.	
Aircraft Refueling Vehicles	42.4.1.2
To operate aircraft refueling vehicles	
Alarm System Registration	13.7.1.4.11.1.1
To register an approved alarm system for initial alarm response by the fire	
department	
Ammonium Nitrate	65.10.2
For Storage	
Amusement Parks	10.16.1
For operation of amusement park fire protection safety features	
Automobile Wrecking Yard	22.2
To operate an automobile wrecking yard.	
Automobile Fuel Servicing	42.2.2.1
To provide automotive fuel servicing	42.5.2.2.4
	42.5.3.1
Barbecue, Commercial	10.11.8.2.1
Operate a commercial barbecue in a fixed outdoor location	

To install or operate stationary lead-acid battery systems having an electrolyte capacity of more than 100 gallons in sprinklered buildings or 50 gallons in non-sprinklered buildings Candles, Open Flames, and Portable Cooking To use in connection with assembly areas, dining areas of restaurants, or drinking establishments Cellulose Nitrate Film For storage, handling or use. Cellulose Nitrate Plastic To store or handle more than 25 lb (11.3 kg) Cleanroom For use Combustible Fibers To store or handle combustible fibers greater than 100 ft³ (2.8 m³) Combustible Material Storage To store more than 2,500 ft3 (70.8 m³) gross volume Compressed Gases and Cryogenic Fluids To store, use or handle compressed gases and cryogenic fluids in excess of the amounts listed in Table 1.12.19 (b), When the compressed gases in use or storage exceed the amounts listed in Table 1.12.19 (b), a permit is required to install, repair damage, abandon, remove, place temporarily out of service, close or substantially modify a compressed gas system. For additional permit requirements for compressed gases facility closures, see 63.1.2. Consumer Fireworks (1.4G) For the sale, on-site handling, manufacture, and storage of consumer fireworks Covered Mall Buildings To use a covered mall in the following manner: 1. Placing or constructing temporary kiosks, display booths, concession equipment or the like in the mall. 2. To use a mall as a place of assembly. 3. To use open-flame or flame-producing devices. 4. To display any liquid- or gas-fueled powered equipment. Cryogens To produce, store, or handle cryogens in excess of amounts listed in Table 1.12.19(c) Exception: Where federal or state regulations apply or for fuel systems of a vehicle.	Operation and Materials (Annually Renewable Permits, continued)	Section No.
clectrolyte capacity of more than 100 gallons in sprinklered buildings or 50 gallons in non-sprinklered buildings Candles, Open Flames, and Portable Cooking To use in connection with assembly areas, dining areas of restaurants, or drinking establishments Cellulose Nitrate Film For storage, handling or use. Cellulose Nitrate Plastic To store or handle more than 25 lb (11.3 kg) Cleanroom For use Combustible Fibers To store or handle combustible fibers greater than 100 ft³ (2.8 m³) Combustible Material Storage To store more than 2,500 ft3 (70.8 m³) gross volume Compressed Gases and Cryogenic Fluids To store, use or handle compressed gases and cryogenic fluids in excess of the amounts listed in Table 1.12.19(b), When the compressed gases in use or storage exceed the amounts listed in Table 1.12.19 (b), a permit is required to install, repair damage, abandon, remove, place temporarily out of service, close or substantially modify a compressed gas system. For additional permit requirements for compressed gases facility closures, see 63.1.2. Consumer Fireworks (1.4G) For the sale, on-site handling, manufacture, and storage of consumer fireworks Covered Mall Buildings To use a covered mall in the following manner: 1. Placing or constructing temporary kiosks, display booths, concession equipment or the like in the mall. 2. To use a mall as a place of assembly. 3. To use open-flame or flame-producing devices. 4. To display any liquid- or gas-fueled powered equipment. Cryogens To produce, store, or handle cryogens in excess of amounts listed in Table 1.12.19(c) Exception: Where federal or state regulations apply or for fuel systems of a	v v	52.2
gallons in non-sprinklered buildings Candles, Open Flames, and Portable Cooking To use in connection with assembly areas, dining areas of restaurants, or drinking establishments Cellulose Nitrate Film For storage, handling or use. Cellulose Nitrate Plastic To store or handle more than 25 lb (11.3 kg) Cleanroom For use Combustible Fibers To store or handle combustible fibers greater than 100 ft³ (2.8 m²) Combustible Material Storage To store more than 2,500 ft3 (70.8 m³) gross volume Commercial Rubbish-Handling Operation To operate Compressed Gases and Cryogenic Fluids To store, use or handle compressed gases and cryogenic fluids in excess of the amounts listed in Table 1.12.19(b), When the compressed gases in use or storage exceed the amounts listed in Table 1.12.19 (b), a permit is required to install, repair damage, abandon, remove, place temporarily out of service, close or substantially modify a compressed gas system. For additional permit requirements for compressed gases facility closures, see 63.1.2. Consumer Fireworks (1.4G) For the sale, on-site handling, manufacture, and storage of consumer fireworks Covered Mall Buildings To use a covered mall in the following manner: 1. Placing or constructing temporary kiosks, display booths, concession equipment or the like in the mall. 2. To use a mall as a place of assembly. 3. To use open-flame or flame-producing devices. 4. To display any liquid- or gas-fueled powered equipment. Cryogens To produce, store, or handle cryogens in excess of amounts listed in Table 1.12.19(c) Exception: Where federal or state regulations apply or for fuel systems of a		
Candles, Open Flames, and Portable Cooking To use in connection with assembly areas, dining areas of restaurants, or drinking establishments Cellulose Nitrate Film For storage, handling or use. Cellulose Nitrate Plastic To store or handle more than 25 lb (11.3 kg) Cleanroom For use Combustible Fibers To store or handle combustible fibers greater than 100 ft³ (2.8 m³) Combustible Material Storage To store more than 2,500 ft3 (70.8 m³) gross volume Compressed Gases and Cryogenic Fluids To store, use or handle compressed gases and cryogenic fluids in excess of the amounts listed in Table 1.12.19(b), When the compressed gases in use or storage exceed the amounts listed in Table 1.12.19(b), a permit is required to install, repair damage, abandon, remove, place temporarily out of service, close or substantially modify a compressed gas system. For additional permit requirements for compressed gases facility closures, see 63.1.2. Consumer Fireworks (1.4G) For the sale, on-site handling, manufacture, and storage of consumer fireworks Covered Mall Buildings To use a covered mall in the following manner: 1. Placing or constructing temporary kiosks, display booths, concession equipment or the like in the mall. 2. To use a mall as a place of assembly. 3. To use open-flame or flame-producing devices. 4. To display any liquid- or gas-fueled powered equipment. Cryogens To produce, store, or handle cryogens in excess of amounts listed in Table 1.12.19(c) Exception: Where federal or state regulations apply or for fuel systems of a		
To use in connection with assembly areas, dining areas of restaurants, or drinking establishments Cellulose Nitrate Film For storage, handling or use. Cellulose Nitrate Plastic To store or handle more than 25 lb (11.3 kg) Cleanroom For use Combustible Fibers To store or handle combustible fibers greater than 100 ft³ (2.8 m³) Combustible Material Storage To store more than 2,500 ft3 (70.8 m³) gross volume Commercial Rubbish-Handling Operation To operate Compressed Gases and Cryogenic Fluids To store, use or handle compressed gases and cryogenic fluids in excess of the amounts listed in Table 1.12.19(b), When the compressed gases in use or storage exceed the amounts listed in Table 1.12.19 (b), a permit is required to install, repair damage, abandon, remove, place temporarily out of service, close or substantially modify a compressed gas system. For additional permit requirements for compressed gases facility closures, see 63.1.2. Consumer Fireworks (1.4G) For the sale, on-site handling, manufacture, and storage of consumer fireworks Covered Mall Buildings To use a covered mall in the following manner: 1. Placing or constructing temporary kiosks, display booths, concession equipment or the like in the mall. 2. To use a mall as a place of assembly. 3. To use open-flame or flame-producing devices. 4. To display any liquid- or gas-fueled powered equipment. Cryogens To produce, store, or handle cryogens in excess of amounts listed in Table 1.12.19(c) Exception: Where federal or state regulations apply or for fuel systems of a		
Cellulose Nitrate Film 20.15.6.1 For storage, handling or use. 43.1.1.4 To store or handle more than 25 lb (11.3 kg) 23.3 For use 23.3 Combustible Fibers 62.1.3 To store or handle combustible fibers greater than 100 ft³ (2.8 m³) 70 Combustible Material Storage 19.1.1; 20.15.4.2 Commercial Rubbish-Handling Operation 70 70 70 To operate 70 70 70 70 70 70 Compressed Gases and Cryogenic Fluids 70 70 70 70 70 To store, use or handle compressed gases and cryogenic fluids in excess of the amounts listed in Table 1.12.19(b), When the compressed gases in use or storage exceed the amounts listed in Table 1.12.19 (b), a permit is required to install, repair damage, abandon, remove, place temporarily out of service, close or substantially modify a compressed gas system. Cutting and Welding Operation 17.3.4.6.1	Cutting and Welding Operation	17.3.4.6.1
For operations within a jurisdiction 41.1.5;		
41.3.1.2;	1 J	
41.3.3.1		-

	nd Materials (Annually Renewable Permits, continued)	Section No.
	works (1.3G)	65.2.3
	ossession, transportation, storage, manufacture, sale, handling, and	65.5.2
discha	arge of display fireworks within the jurisdiction.	
Dry Cleaning	O .	24.2
	gage in the business of dry cleaning or to change to a more hazardous	
cleani	ng solvent. Such permits shall prescribe the class of system to be	
used.		
	Class II (\$240.00)	
	Class IIIA & IIIB (\$160.00)	
	Class IV (\$80.00)	
Dust-Produc	ring Operations	40.2
	erate a grain elevator, flour starch mill, feed mill, or plant pulverizing	
alumi	num, coal, cocoa, magnesium, spices or sugar, or other operation	
Produ	cing combustible dusts as defined in Section 40.	
Exhibits and	Trade Shows	20.1.4.4.1
For o	peration of all exhibits and trade shows held within a jurisdiction	
	Range I – 4,500 – 14,999 sq. ft (\$80.00)	
	Range II – 15,000 – 74,999 sq. ft (\$160.00)	
	Range III – 75,000 – up sq. ft (\$240.00)	
Explosives		65.9.2
Manu	facture, sell, dispose, purchase, storage, use, possess, or transport of	
explos	sives within the jurisdiction. For additional permit requirements for	
blastii	ng operations, see 65.9.2.1	
Filming		32.2
	m or broadcast at a public studio, production location, or sound stage	
	or Combustible Liquids	66.1.5
	To use or operate a pipeline for the transportation of flammable or	
	combustible liquids.	
2.	To store, handle or use Class I liquids in excess of 5 gallons	
	in a building or in excess of 10 gallons outside of a building.	
	Exception to item (2): A permit is not required for the following:	
:	a. The storage or use of Class I liquids in the fuel tank of a motor	
	vehicle, aircraft, motorboat, mobile power plant or mobile heating	
	plant, unless such storage, in the opinion of the Chief, would cause	
	an unsafe condition.	
	b. The storage or use of paints, oils, varnishes or similar flammables	
	c. Mixtures when such liquids are stored for maintenance, painting or similar purposes for a period of not more than 30 days.	
3 Ta	o store, handle or use Class II or Class III-A liquids in excess of 25	
	gallons in a building or in excess of 60 gallons outside a building.	
	Exception to item (3): Fuel oil used in connection with oil-burning	
	equipment.	
	o remove Class I or Class II liquids from an underground storage	
	tank used for fueling motor vehicles by any means other than the	
;	approved stationary on-site pumps normally used for dispensing	
-	purposes.	

Operation and Materials (Annually Renewable Permits, continued)	Section No.
Flammable or Combustible Liquids (continued)	66.1.5
5. To operate tank vehicles, equipment tanks, plants, terminals, wells, fuel-	
dispensing stations, refineries, distilleries and similar facilities	
where flammable and combustible liquids are produced, processed,	
transported, stored, dispensed or used.	
Exception: If Automotive Fuel Servicing Permit is issued, a separate permit for Flammable or Combustible Liquids is not required. A Hazardous Materials permit, if applicable, will be required including range and quantities to determine applicable fees.	
Grandstands and Bleachers, Folding and Telescopic Seating	25.1.2
For construction, location, erection, or placement of grandstands and	
bleachers, folding and telescopic seating	
Hazardous Materials	60.1.6.1.1
To store, transport on site, dispense, use or handle hazardous materials	00.1.0.1.1
in excess of the amounts listed in Table 1.12.19(d) or to install, repair,	
abandon, remove, place temporarily out of service, close or substantially	
modify a storage facility or other area regulated by Chapter 60 when the	
hazardous materials in use or storage exceed the amounts listed in Table	
1.12.19(d).	
Heliports	21.3.2.1
Operation of a heliport	
High-Piled Combustible Storage	20.15.7.1.1
To use any building or portion thereof as a high-piled storage area exceeding 500ft ² (46.45 m ²)	
Range I - 501-12,000 square feet. \$80.00	
Range II – 301-12,000 square feet. \$60.00 Range II – 12,001 – 500,000 square feet. \$160.00	
Range II – 12,001 – 300,000 square feet. \$100.00 Range III – Over 500,000 square feet. \$240.00	
· · ·	(5.0.2
High-Powered Rocketry	65.8.2
For the manufacturing, sale and the use of high-powered rocketry	172461
Hot-Work Operations	17.3.4.6.1
Permits are required for hot work including, but not limited to:	41.1.5
1. Public exhibitions and demonstrations where hot work is conducted.	41.3.3.1
2. Use of portable hot-work equipment inside a structure.	
Exception: Work that is conducted under a Construction Permit issued	
by the building official.	
3. Fixed-site hot-work equipment such as welding booths.	
4. Hot work conducted within a hazardous fire area.	
Industrial Ovens and Furnaces	51.1.2.1
For operation of industrial ovens and furnaces covered by Chapter 51	
Laboratories	26.3
For operation	
Liquid or Gas-Fueled Vehicles or Equipment In Assembly Buildings	20.1.4.4.1
To display, complete or demonstrate liquid- or gas- fueled vehicles or	
equipment in assembly buildings.	

Operation and Materials (Annually Renewable Permits, continued)	Section No.
Liquefied Petroleum Gases.	42.5.2.4
To store, use, handle, or dispense LP-gas Exceptions:	69.1.2
(1) To install or maintain portable containers of less than 125-gallon (473.2 L) aggregate water	
capacity. (2) For individual containers with a 500-gallon (1893 L) water capacity or less serving One-and Two-Family Dwellings.	
(3) To operate cargo tankers that transport LP-gas.	
Lumber Yards and Woodworking Plants	31.2
For storage of lumber exceeding 100,000 board ft	
Marine Craft Fuel Servicing	42.3.1.4
To provide marine craft fuel servicing	
Mobile Refueling Site	42.2.7.12
To dispense Class I or II liquids from a tank vehicle to the fuel tank of a	
motor vehicles or special equipment at approved fixed facilities	
Mobile Refueling Vehicle	42.2.7.12
To operate a refueling vehicle that dispenses Class I or II liquids from a	
tank vehicle to the fuel tank of motor vehicles or special equipment at	
approved fixed facilities.	
*Each refueling vehicle requires a permit	
Open Burning	10.11.1
To conduct open burning. For additional permit requirements for open burning, see 10.11.1	10.11.1
Open Fires	10.11.1
For kindling or maintaining an open fire. For additional permit requirements for open burning, see 10.11.42	10.11.1
Organic Coatings	43.1.1.4
For operations and maintenance of a facility that manufactures organic coatings	,0,111,
Organic Peroxide Formulations	70.3
To store, transport on site, or use materials in excess of amounts listed in Table 1.12.19(c) and (d).	7 0.3
Oxidizers	70.2
To store, transport on site, use, or handle materials in excess of amounts listed in Table 1.12.19(c) and (d)	
Pallet Storage or Rehabilitation	31.3.8
A permit is required for the storage, rehabilitation, of pallets in an area exceeding 500 sq.ft.	31.3.0
Places of Assembly	10.16.1
To operate a place of assembly.	20.1.1
Range I – 50 – 300 Occupants (\$80.00)	20.1.1
Range II – 301 – 1,000 Occupants (\$160.00)	
Range III – 1,000 Occupants (\$100.00)	
Trange III 1,001 and up Occupants (\$240.00)	65.2.3
Pyrotechnical Articles	65.3.3
For the manufacture, storage, sale or use of pyrotechnic articles within the	65.5.2
jurisdiction	65.11
	05.11

Operation and Materials (Annually Renewable Permits, continued)	Section No.
Pyrotechnics Before a Proximate Audience	65.3.3
For the display and use of pyrotechnic materials before a proximate audience	
Pyroxylin Plastics	43.1.1.4
For storage, handling, assembly, or manufacture of pyroxylin plastics	
Recycling Operations	19.1.1
See Commercial Rubbish Handling and Operation	
Refrigeration Equipment	53.4.1
To operate a mechanical refrigeration unit or system	
Repair Garages and Service Stations	30.1.1.3;
For operation of service stations and repair garages	30.2.1.1
Rocketry Manufacturing	65.7.2
For the manufacturing of model rocket motors	
Solvent Extraction	44.3
For storage, use, handling	
Spraying or Dipping of Flammable Finish	43.1.1.4
To conduct a spraying or dipping operation utilizing flammable	
or combustible liquids or powder coating	
Tire-Rebuilding Plants	20.15.4.2
For operation and maintenance of a tire-rebuilding plant.	
Tire Storage	20.15.4.2
To use an open area or portion thereof to store tires in excess of 1,000	
cubic feet .	
Wood Products	31.2
To store chips, hogged material, lumber or plywood in excess of	
200 cubic feet .	
Woodworking Facilities	31.3.9
Operate a wood processing or woodworking facility required to have dust control as per 31.3.9	

III. TEMPORARY PERMITS

Operation or Activity	Section No.
Asbestos Removal (By site)	16.8.2
The removal of asbestos	
Amusement Buildings (Haunted houses)	10.16.1
Temporary – (Less than 30 days on any single property)	20.1.3
Candles and Open Flames In Assembly Areas	10.16.1
To use open flames or candles in connection with assembly areas,	20.1.1
dining areas of restaurants or drinking establishments.	
Carnivals and Fairs	10.16.1
To conduct a carnival or fair.	
Combustible Vegetation	10.15
Placement or use of natural or resin-bearing cut trees in a public building	
Consumer Fireworks (1.4G)	20.1.4.4.1
For the sale, on-site handling, manufacture, and storage of consumer fireworks	
(1.4G)	
Cutting and Welding operations	17.3.4.6.1
For operations within a jurisdiction	41.1.5
	41.3.1.2
	41.3.3.1
Display Fireworks (1.3G)	65.2.3
For possession, transportation, storage, manufacture, sale, handling, and	65.5.2
discharge of display fireworks within the jurisdiction.	
Explosives, Blasting Agents and Surface blasting	65.9.2
For permits for explosives, blasting agents and surface blasting	65.9.3
	22.2
Filming To film on broadcast at a multipatudia maduation la setion, an assund stage	32.2
To film or broadcast at a public studio, production location, or sound stage.	65.4.2
Flame Effects Use of flame effects before an audience	03.4.2
	20.1.4.4.1
Liquid or Gas-Fueled Vehicles or Equipment in Assembly Buildings To display, complete or demonstrate liquid- or gas- fueled vehicles or	20.1.4.4.1
equipment in assembly buildings.	
Membrane Structures, Tents and Canopies-Temporary	25.1.2
To erect an air-supported temporary membrane structure or tent having an area	23.1.2
in excess of 200 square feet, or a canopy In excess of 400 square feet, except	
for structures used exclusively for camping.	
Range I – 1-14,999 sq. ft (\$80.00)	
Range II – 15,000 – 74,999 sq. ft (\$160.00)	
Range III – 15,000 74,555 sq. ft (\$100.00)	
Open Burning	10.11.1
To Conduct Open Burning.	10.11.1
Note: Clark County Health Department, Air Pollution Control Division, issues	
EPA permits for fires over 2 square feet in area.	
1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1	l .

Operation or Activity (TemporaryPermits, continued)	Section No.
Open Fires	10.11.1
For kindling or maintaining an open fire. For additional permit requirements	
for open burning, see 10.11.42	
Dynatochnical Auticles	65.2.3
Pyrotechnical Articles For the manufacture, storage, sale or use of pyrotechnic articles within the	
Pyrotechnics Before a Proximate Audience	65.3.3
For the display and use of pyrotechnic materials before a proximate audience	
Special Outdoor Events, Carnivals, and Fairs	10.16.1
For the location and operation of special outdoor events, carnivals, and fairs	

IV. FIRE ENGINEERING – RELATED PERMITS

Operation or Activity	Section No.
Airport Terminal Buildings	21.2.2.1
For construction or alteration	
Amusement parks	10.16.1
For construction or alteration of amusement park fire protection safety features	
Automatic Fire Suppression Systems	13.1.1.1
For Installation or modification	50.4.2
Cleanroom	23.3
For construction or alteration	
Fire Alarm and Detection System(s), Monitoring, and Related Equipment	13.1.1.1
Installation or modification to fire alarm and detection system(s), monitoring,	
and related equipment.	
Fire Pumps and Related equipment	13.1.1.1
Installation of or modification to fire pumps, jockey pumps, controllers, and	
generators	
Flammable or Combustible Liquids	66.1.5
1. To repair or modify a pipeline for the transportation of flammable or combustible	
liquids.	
2. To install, construct or alter tank vehicles, equipment tanks, plants, terminals,	
wells, fuel-dispensing stations, refineries, distilleries and similar facilities where	
flammable and combustible liquids are produced, processed, transported, stored,	
dispensed or used.	
3. To install, alter, abandon, place temporarily out of service or otherwise dispose of	
a flammable or combustible liquid tank.	
4. To change the type of contents stored in a flammable or combustible liquid tank to	
material other than that for which the tank was designed and constructed.	
(Tank Removal regulated by Clark County Health Department)	
Fuel Tank/System/Appliance Installation, Removal or Alteration.	66.1.5
For each installation, removal or alteration of an under-or above – ground fuel	
tank, system or appliance	
Gates	10.12.2.1.1
To install or alter a gate(s) or gate operator(s) which obstructs a fire apparatus	
access road	

Operation or Activity (Fire Engineering – Related Permits, continued)	Section No.
Heliports	21.3.2.1
For construction or modification of a heliport	
High-Piled Combustible Storage	20.15.7.1.1
For construction or modification of any building or portion thereof having a	
high-piled storage area exceeding 500 ft ² (46.45 m ²)	
Laboratories	26.3
For construction or alteration	
Liquefied Petroleum Gases.	42.5.2.4
To install or modify LP-gas systems	69.1.2
Exceptions:	
(1) To install or maintain portable containers of less than 125-gallon (473.2 L) aggregate water capacity.	
(2) For individual containers with a 500-gallon (1893 L) water capacity or less serving One- and Two-Family Dwellings.	
(3) To operate cargo tankers that transport LP-gas.	
Membrane Structures, Tents and Canopies-Permanent	25.1.2
To erect an air-supported temporary membrane structure or tent having an area	
in excess of 200 square feet, or a canopy in excess of 400 square feet, except	
for structures used exclusively for camping.	
Range I – 1-14,999 sq. ft (\$80.00)	
Range II – 15,000 – 74,999 sq. ft (\$160.00)	
Range III – 75,000 sq. ft and up (\$240.00)	
Oil- and Gas-Fueled Heating Appliances	11.5.1.5
To install oil- and gas-fired heating appliances	
Private Fire Hydrants	13.1.1.1
For the installation, modification, or removal from service of any private fire	
hydrants.	
Refrigeration Equipment	53.4.1
To install a mechanical refrigeration unit or system	
Spraying or Dipping of Flammable Finish	43.1.1.4
For installation or modification of any spray room, spray booth, or preparation	
work station	
Standpipe Systems	13.1.1.1
For installation, modification, or removal from service of any standpipe system	

V. HAZARDOUS MATERIALS STORAGE

The additional fee for Hazardous Materials Storage shall be based upon the following Range Calculation Table:

VI. MISCELLANEOUS SERVICES AND ACTIVITIES

For purposes of this Table, the Standard Hourly Fee (SHF) is \$80.00.

Service	Fee
Applications for use of alternate methods	\$80.00
Consultation (including reviews of projects prior to submission for a building permit and projects not requiring a building permit)	\$80.00
Consultation (including consultation done under NFPA 1 / UFC section allowing technical assistance)	Consultant's hourly fee
Fire watch service (3-hour minimum)	SHF
Requested inspection outside of normal business hours.	SHF per inspector, including travel time, with a 3-hour minimum
Additional inspections or re-inspections for renewable permits, new construction permits, fire protection systems due to system inspection deficiencies, cancellations with less than four (4) hours notice, or requiring additional inspections due to inspecting partial systems	SHF per inspector, including travel time
Any inspection or reinspection conducted during normal working hours, if it is found that the requesting party is not ready for the inspection or violations have not been corrected from previous inspections.	SHF per inspector, including travel time
Same day inspection (less than 24 hours' notice)	\$120.00 per inspector, including travel time
File searches: searches for requested information contained in files, including "Environmental Assessments"	SHF with a ½ -hour minimum, billed to next ½ hr.
Fire flows: searches for requested information contained in files related to fire flows, and to assist in or witness fire flows	SHF per inspector, with a 1-hour minimum
Emergency apparatus or unit standby	\$250.00 per hour, with a 4-hour minimum
Expedite fee for processing permits in less than required time frames.	SHF
Application to the Board of Appeals	\$80.00
Certificate of Fitness for Company or Individual on an annual basis	\$80.00
False/Nuisance Alarm(s) Fee	SHF 1- hr minimum
